power joining Rafael reality alright Sanjay Jha ten seconds well Jacques want tell rumbling away I'm making kinds noxious without head okay India's political rhetoric political rhetoric BJP Congress we've heard lot last one year afraid might end hearing lot next six weeks campaign I'm gonna wrap thank guests note talking elections 7:00 a.m. tomorrow first phase 91 seats start coverage billion votes 7:00 a.m. tomorrow powerful election tools magic wall alexa course new tools gotten added mix CNN news 18 India's number one election destination 7:00 a.m. [Music] [Music] [Music] top story 18 degrees south BJP released manifesto today looks elections one big focal points far South concerned shabarimala seven months Supreme Court verdict allowed women ages pray temple massive backlash followed BJP manifesto today states party undertake every effort ensure subjects faith tradition worship relating shabarimala presented comprehensive manner Supreme Court BJP also says protect issues related faith belief remember become huge talking point far BJP concerned hoping politically benefit how's translating campaign right Kerala let go across neater Kumar joining us live Thiruvananthapuram payal Mehta he's joining us BJP party headquarters manifesto released hours ago payal clearly hope BJP would like translate anger seen amongst faithful back shell Rimula issue clearly happening ground I'm sure BJP organization importantly candidates electorally benefit anger emanated Shambhala clearly know BJP know state Kerala RSS really really put lot effort together that's one reason would like see translated kind vote seems like RSS imprint know far state Kerala course largely sub Diwali issue concerned one front BJP speaks protecting faith belief rituals know associated course eye mentioning supreme Allah questions asked BJP faith belief religions know heard Asaduddin Owaisi come lash BJP signal wire interfering muslim laws pushing criminal pushing criminalization triple Telok questions something BJP really answer know far state Kerala concerned understand that's probably one last bastions still left communist left government still exists they've able successfully wipe left Tripura coming power many many years Manik Sarkar government something japaese listen seen kind aggressive know sort campaigning etc BJP done right entire Sabri mala know movement even trying eat even able achieve couple sees least know estate Zachary leader mean massive moral victory alright let also go across knee Telugu Kannada joining us Thiruvananthapuram mean rarely one single issue decide election emotive sharp Ramallah clearly far greater mundane factors decide results elections whether candidate selection whether know party organizations forth amongst twenty seats Kerala realistic chances realistic hopeful seats far BJP concerned open account time around Kazakh among 20 states realistically look fear even poem real chance make change speak people within BJP understand also know fact like across state major issue BJP Thiruvananthapuram supreme Allah even last time rajagopal came second Shashi Tharoor seat margin fifteen thousand votes pyramid Purim constituency keep best bet hope real chance though BJP trying focus shabarimala issue bring major issue would one factor would deciding 20 seats sure pyramid Purim Putnam theta could impact across state real really think shabarimala major impact across state state witnessed one worst floods farmer distress Dickey vinod areas post flood rehabilitation issues would come forefront comes election petrol prices diesel prices LPG prices going high major factors would coming election though BJP hopes Shabri Mela one thing try say across state may one deciding factor elections Kerala one critical things that's happened last week Carroll weekend

Priyanka Gandhi Vadra stirred things Congress party claims seeing uptick number people especially women signing members contests elections going take game whole new level I'm rather Sengupta behalf everyone working show thank much watching [Music][Music] film stars stranger electoral politics every Lok Sabha election cross either star campaigners candidates year Lok Sabha elections 2019 making splash announcement popular Hindi film actor Urmila Matondkar joined Congress party party's candidate Mumbai north constituency off-centre today I'm going find Malala taken new role made plunge expects become MP lawmaker representing region India mullah right thick things lovely actually sitting conversations thank thank much find interesting begin campaign experience begun right started meeting people Mumbai like movie star used fans used people also always koma get days true true fact that's one first things say long silver screen far away amongst that's think biggest Forte I've started fact meeting biggest one biggest slums constituency Hanuman Nagar awesome actor adrenaline rush gives see excitement see people's know euphoric faces kids going berserk drums playing around quite amazing time also quite upsetting get see kind states living areas kind motivates makes think okay maybe trying right thing movie star especially know peak career muhammadun car someone easily accessible helped mystique make contact need connect people prepare new role funny mention true there's kind duality whole thing film star like almost reclusive believed spoken work choose private life I've got dog breed probably dogs know kind trivial things many actors really indulgent however happening whole sense whole thing amongst people mistake lack wanting among people come middle-class family growth tremendous terms know become getting films becoming star even bigger never forget roots that's beauty think entire credit goes somewhere line upbringing I've one earliest things remember father telling like famous like dewdrops know early mornings beautiful mornings till time Sun rises shines evaporates fame name like dew drops needs stay stays work stays work speaks that's believed day announcement made said film stars used bring glamour draw people political parties that's wrong keep aside bit concerned people keep aside bit we're Muhammad Karis concerned work experience makes eligible MP area politician II whatever work line work makes makes Anita eligible kind person grown years become makes eligible come family extremely socially aware made aware social responsibilities early life people know today come humble background child many many years brother never birthday celebrations capacity whatever parents could afford money given social institution time unknown Nagpur many smaller big Institute's concept birthday parties something I'm saying never said till date I'm saying today underline background come always told people like filmmakers actors yesteryears separate thing much part actor actor someone who's actor social responsibility even higher everything people make star done movies like many Gandhi konima Binger saw social relevance thought bit whenever spoken promotion films apart many causes involved except never believed Tom talking social media fact never spoke think bit bad date something getting pictures clicked write really downtrodden putting social media know find little saying role difficult full-time politician's career going difficult role Mela see essentially need two main things become one extreme sharp social awareness social political economical awareness another thing people know extremely extraordinary good student extremely extremely good academics matter 87 86 % 10th still took arts wanted study literature majoring philosophy psychology remember reading ever since remember anything politicians des necessarily need instance Gopal Shetty who's incumbent MP constituency looking record think he's studied far know formal education politician means I'm trying get recording conversation carnival believe bore evilly char cope part Mumbai constituency think need become MP constituency that's exactly coming first part that's extremely important gives in-depth knowledge talking okay gives basic solid base personality take office wherever intend come second part think empathy people empathy basically issues people things general think personality comes coming particular thing like said asked questions like even ever ever bravely I'm much Mumbai car I've pretty much areas Mumbai like said ever humble start everywhere important feel bring constituency political start career event know complete social inequality kind know coming know society many levels needs also somewhere address needs things need done I'm also last five years looking citizen country tremendous know unrest demand intolerance come suddenly everybody wants know want religious intolerance know things anymore moving forward towards progress things pushed us backwards thinking know many many extremes always extremely disturbing circum chances great intellectual thinkers trying make changes social scenario like inaudible car pants sorry gory Lankesh killed broad

daylight get goose flashes even speak many years passed nothing done extent High Court intervene ask CM state 11 different departments anything happened keen follower Marina couple ker believed ideology completely shocking taken away one find even man gone walk think time every citizen sit take notice articulating intolerance sort actual murder brutal murder intellectuals therefore ideas represent trigger milla given popularity know stature actor would offers previously right absolutely 2019 14 that's exactly reason last five years extremely disturbing trying keep one people lot youth needs listen always oh want get political thing oh want know whatever gonna work anymore like need politically aware country going somewhere else mean Supreme Court judges need take press conference tell people know wake smell coffee institutions tremendous danger today work manner meant democracy survive idea India think everyone usually come forward yeah point oh yes that's get upset make difference right whether vote whether giving voice going late Congress manifesto released clear Congress talking jobs things mentioned kneei scheme think go things Congress wants promised elect electorate constituency going communicate big ideas party stands today think bestest thing party promised people Bombay especially slum redevelopment project wherein promised five hundred square foot houses going task going challenge trust constituency particularly slums slums can't say biggest slum one bigger needs taken course night generation accomplished challenging doable like one know first direct transfer scheme people go neo Jinnah done direct transfer keep cash yes offer basic level know decent life lifestyle whatever know level need keep think biggest highlight particular scheme two particularly six percent going education also interesting even though slightly minor point education important thing course 33 percent Women's Reservation woman that's utmost importance MP gets elected move around meeting people meetings expecting things constituency going vote keeping mind Parliament party forms government think voters looking idea like going definitely person first party know actually works think bit people staunch supporters part certain party certain ideology going people going think okay person could something mood think bit bit want understand assessing chances victory would imagine win got race win lose yet lot people especially people opposition parties incumbent BJP would say know afraid sitting MP Gopal Shetty defeated colleague Sanjay Nirupam last elections 4 lakh vote margin worried Mela I'm drunkard set fail think that's great think fantastic wish I'm position anyway coming point well want talk whether they're happy sad think trolls made scapegoat many things stooped think answers worried think I'm claiming they're worried would parties power biggest thing country would think may point think let us leave people decide I'm getting married see thing sing process problem people abusing process right process they're taking granted one caste certificate get caste certificates sorry one something use wrong way Manas know gimmick lap one fantastic he's like young even casey wall lot confidence lot eggs understand understand ah yes something basically right reservation important become important rather keep caste certificate locker I've keeping jewelry inside locker jewelry locker 17 18 19 save future also need money I'm looting people even getting normal colleges I'm told got college 89 something many years passed got st. Xavier's College dad old boy effort like think 68% first list believe luck really happy easy tennis stress I've heard last four five years parents going berserk standing lines big cities they're four five college everybody want get get there's chance 89 90 93 I'll get marks get college exactly exactly point reservation based cost based languages well know like example Metis good yukata Dakota discriminating students community endorsing community looking well idea put colleges help community give certain seats others sense also reservation gone right like moved 2019 guys saying crap whole reservation time saying that's merit whether poor rich whether disenfranchised interiors big city saying level level yeah bring equality like discriminating lb saw basis economic know power answer question talk people power government like Manas fails everything let talk little bit nobody talking would say sitting South Bombay easy say well family need reservation go rural areas remote areas country find people even basic sanitation facilities basic necessities uplift actually deprived people interior that's problem arising that's problem saying yes kind background equality equality also means equal opportunities extremely depressed need make circumstances able that's whole idea reservation okay let's get voices quickly come quick quick points people go mad know burn hot kale mean goes level beyond control yeah think already uplifted cause people getting privileges stopped like extent already uplifted people actually economically weaker like aha give deserve reservation sin go lots different processes consider factor like vegetarians non vegetarians people eat garlic onions without garlic onions people use three toppings pizza I'm getting much many people give reservation everyone say problem films last Holi Bollywood actor who's come privileged background who's done really well superstar reservation Bollywood nepotism good well put intelligent sacked girls far front they're understanding whole thing better rapid let's understand position we're making light reservation huge thing elephant room savings nobody wants discuss hurts hits everybody good bad society let's Allyson steam says need reservation unbalanced society like India feel like people open category use reservation excuse they'd like reservation score well they'll put resort students got first place must studied well cannot see know seeing human nature matter people take advantage situation students kind reservation ah although think one caste certificate helps think even much competition amongst larger number country especially issues also face competition amongst fear availing know making strong points guys talked quickly completely reservations I'll share incident yes got 93 percent boards tend okay friend got sale three four percent ended college Haas corner uh point doobie well-made going take reservation that's fine rule make fun non-reservation person go face flaunt yeah I'm watching friends studying yeah got 54 got 93 landed spot boy spoken yeah feel reservation valid generations like much intelligent feel points well made except decide Oh multiple generations get benefit caste reservation tilting 100 yeah obviously dice name difficult fantastic great mind see great future India reservation going stay decide leave happy pictures sides shouting reservation understand feelings emotion Bo let's leave amana send picture two people believe make India proud one day article 377 far behind us free country everyone see every community issues whether age race cars community whatever hell gender that's point point everyone Lobby problems agenda okay reservation guys us aging TV anchors preservation reservation think black hedges becomes black think preservation we'll see soon 17 snippet Ricardo Gianna hello dizzy cause already know tonight iPad worry Hitler also give one little passage use passage mottos Jojo people important come hotel[Music] months UN certificate certificate deserve thanks FCAT we've actually caught really performed well must say done dooty done due diligence upheld Constitution rights spared agony going court right great right really nine months sir en Xuan two play key roles film like said story teenager British married teenager returns grandparents home Kashmir discovers truth father sold film script Ashwin kind enough know let let read script really read script firstly like know eye-opener thought like title says everybody thinks know Kashmir know Blob also thought something Kashmir read script really made understand therefore got excited inspired felt something must go sure keen part reason yeah case wanting work I've seen little terrorists yeah I've seen previous work I'm huge fan book done I've grown diet stage like paths going treaded part gracefully team called shared script loved reading four paths said read send convinced would fit Army Major right look nothing like know British potential right yes read God's grace liked started filming honestly script sacrosanct right Bible moment read script like Sonia said sir Bible script story needs told simple reason impression caution here's filmmaker knows region well probably anyone else country who's film business dishing okay actually smell flavors reality place complete no-brainer also one side said let loose rarely come across parts says fun also he's actor think gets certain amount knows instinctively works right know every villager enemy continue name come back um know start film state Kashmiri crisis going since 1947 talk number lives lost since light recent poll bomb attacks Bala could strike message hope hope film convey thank asking Rajiv made film Millennials hmm know world's youngest population country okay that's privilege huge opportunity one biggest opportunities irreverence right know fact uncle Google thumbnails right generation generation I'm sorry that's right want pretty much foreign course generation know pretty much dished truth sort accepted BOB government vollrath Emunah know envy went along guys skeptical know minute start saying something kid eyes news phone he's trying check really know true know skepticism beautiful important politics important polity exist I'm hoping might happen film see reflection characters I've created Kashmir might perhaps turn around say hang second we're really told whole truth happening hope comes rescue start really googling hell Kashmir finding actually goes second thing I'm hoping gonna happen core small core might even go Kashmir avoid tourist areas know get villages speak people see counterparts Kashmiri kids [Music] three things happened beginning 90s something really important understand one economic liberalisation armed insurgency Kashmir three heard sitting 20-30 years right right three things happen together two Millennials grown right Anil Anil rest India Millennial Kashmir Malil rest India grew land choices opportunities poor mobility Millennial Kashmir grown state war choices etc rather cause fight millennial troubled part country contiguous borders two

extremely hostile neighbors nuclear arms pointing Inter box almost saw flare-up last couple months millennial rest India okay nothing choices opportunities two going count solve issue I've made film Millennial rest India ones opportunities ones blessed choices please let's open eyes see happening counterparts start process address crisis compassion address process empathy that's movies made wipe history people honey role Razi protagonists mother another film conflict India Pakistan conflict Kashmiri playing key role Razi hugely successful alia swept awards season another film that's successful Ori course positioned recreation 2016 surgical strikes view manner mainstream cinema tackles Kashmir issue well think exactly Ashwin saying offshoot ignorance sense offshoot maybe ignorance one one part narrative right many facets think fascinating Kashmir first place many facets many layers many realities many truths place like complex one one man sure therefore find one narrative hence see oh god know Pakistan course enemy know army really wonderful body know looking us agree agree agree things sides story would people people know they're always perfect things happen really told discover along way much like school learn go learn history talk Indian Mutiny talk things see struggle go found mutiny left school think sort narratives affair result lot slightly lopsided view think cinema composite culture country able discourses know see see entirety think that's fair know Raj Kashmir beautiful right cinema showcased beauty years we've seen returning also extremely tragic may say beautifully right happens keep showing one diamond family army Army courageous lot people mean peace yeah also human side right living mentally space seldom film try capture yeah yeah great hero know they're heroes right living imperative we've border we've really amazing films right seen I've enjoyed bit one track showcasing they're lot caricature sorry yeah introduce mean caricature know like caricatures disservice reality disservice audience whose respect who's receiving think great disservice people trying represent circle back original idea trying call people part Union think okay coach Metis tongue hey comic lobby there's mean toot right robuttnik okay Lobo gato apnea Catherina Keanu couples means rhetoric last 70 years mean low equal problem change take Bollywood film example I'm going mean I'm going straight think done service cattle portrayal Kashmir know closest example tell see Indian portrayed American cinema head shaking right son funny singsong accent make blood color show imagine Kashmiri imagine tragedy horrific incidents happening place go show pretty hills men women love affairs odd Kashmiri come along portrayed exotic bird mean exactly fetishization would makes blood curl British cinema used represent Indians like Mowgli instance films like 40s makes blood curl know hell people hell see alienation talking cinema independent cinema India gone villages U P know thanks people like rock films like know drawn right ground art ground brought cinemas know know much happens know rural India right thanks kinds films similar process needs start English know particularly inter box we're sitting need start understanding lives know feel really order things ever improve get better people's problems tragedies they've faced need acknowledged acknowledge like never happened feels like exist can't even imagine helplessness somebody I'm talking facets even Kashmiri pundits example right know nothing happened nothing nobody else anything let's see entirety feel I'm great believer phrase truth reconciliation happened Germans Second World War today Holocaust museums shovel school kids throat age 14 onwards go see museums understand terrible phase history confronting ever hope never repeat I'm feel feel respectful sentiment strangely I'm also half German somewhat German I'm half Kashmiri I've got like connection know I've always comparing two thinking know really need change attitude change attitude anything ever hope improve eye-opener personally human filming process Kashmiri teenager acting Barry John play money honey that's went shoot film learned many things people food hindsight question Kolkata Bangalore often northernmost region nation say beautiful place say beautiful place country let's food thought right hopefully film serve purpose know actually going ask gonna say um experience actually making film Kashmir specifically two misconceptions broken actually went shot misconceptions Kashmir like today know sitting sitting Mumbai narrative affair tend believe discover know well begin I've reciting everywhere since yesterday introduced walked one day set costume two shots DOP taking time lighting walked path civilian clothes morning one power I'm foodie keep eating delicious really warm man really sweet man chat walked costume major looks got Rajeev stairs believe could feel piercing suddenly line producer lady ran Hyneman walk alone somebody might throw something like perspective shift like think things sitting Bombay right I'm wearing Indian Army's costume country mean know last year half stone pelting episode news throwing little things like human level tell know much mean read books friends wish days I've done film Angela Lee who's Kashmiri hear much I've always felt there's something brewing inside I've never quite able point girl yeah experience gave sort perspective figure question hope Ashwin trying mean achieve people sees see happens British Kashmiri back censorship average Kashmiri impression India manifest uniform gentleman wearing day know manifest gun carries manifest jackboots know March Street mean India hmm that's we've served hmm Kashmir really served anything else started interaction schoolkids example like know Sony trying talk called Truth Reconciliation Commission sorely needed gross human rights abuses happened Kashmir know need stare things face see right okay respect institution lapses need acknowledge respect human life humanity need say hey look acknowledge tell everyone truth know call perpetrators book move two things one it'll obviously reassure average Kashmiri look taken seriously we're brushed carpet second thing institution start self-correcting right things essential happen otherwise we're going country longest time Jones example great actually impression impression rest country looking back similar mean costumes created mask visual driest visual mask camo tribe know gun rhino that's that's image sort martyrdom irony made short

documentary series months ago know audacious idea took reveal right sure I'm going reveal okay I'm gonna I'm gonna run online shortly every everyone see right convinced army officers daughter three actually three daughters militants killed Kashmir meet Wow yeah Wow real know that's I'm gonna make series gonna document short documentary see gonna play YouTube along release film right let's look people right wha daughters army officers daughters militants they're human beings right know they're aliens yeah let start talking that's amazing yeah hungry see unfolds yeah let's tweak true yes mean always feel mean whenever go Kashmir firstly really Indian yeah person comes rest India I'm glad come anything feel oppressive know residents times worse times bad kids who've grown that's normal say things normal said normal yeah we've grown within us normal know reality really go rest India feel know Queenie yeah I'm army thank mean hurt said know shooting kilometer away encounter going highway remember high-rate happened come us Srinagar we're universe jewel lake atcha shooting mean one big thing Ponca choking HMT sari outside downtown session occurred encounter going yeah even closer half shoot yeah that's pretty normal normal that's normal camera look give lean eonni happy shutters happy shutters counted happy shutters opposed remember projected raisiny qiyamah whole valley shut everything happened remember talking somebody know somebody wanted meet I'm gonna mention names wanted meet wanted talk person told he's free tomorrow boys going stone-throwing give holy key look Haley yeah he's busy boys going stone throwing Josh want meet another time leaving interesting know okay fine happy know I've I've seen ok army standing know scary time mean normal people they're cigarette breaks they're chatting chive EPA somebody's helping somebody carry bag also would say know that's maybe face interesting get carried away know knock upon Bombay city night Saturday night people's checking check around Bhavan used drive airport preserve there's three places one day bag back either opened happened second check post question know going driver said film key shooter actor one army men seen LSD right chat film asked going said documentary I'm saying keep making big deal little knock upon weekends people living daily basis things think small starts hitting subconscious point time mean one difficult things ask get right screenplay took three years get begin know go human rights way case one's gonna come watch film right right try tell story two kids know breaking hearts other's hearts going service discussion right try talk radical Islam taking valley replacing Sufism that's going throw whole new bunch challenges know going try represent armies sort know want talk what's happened people inevitably end talking army whole Pandora's box problems know open know mean begin strong yeah know challenge screenplay actually yeah sorry get head woman course play mother whose son picked never returns wait hope sort put woman's head heart quite lot difficulty probably perception woman whose son around know what's happened he's different probably reality Ashwin great help also saw documentary know women whose sons disappeared they're emotional lists emotionless think somewhere line cut helpful aspect would much sentimental know mother thinking child would probably gone completely different direction really relied director experience teeth know women suffered different natural reaction would would wreck wreck pretty much fit sort even even say resigned think would Qatar heart way know also meet many years later yeah that's probably may early definitely early mean would somewhere line know like know like breakup kind read mean see example somewhere line put stone heart can't keep fearing much feel stopped feeling point Antron without giving away much know fair say we've already said he's he's major character play um sense bad guy piece complex right view preparing play could eat small example well easy mean easy viewer say bad guy good guy sort located purely black white term terms playing dodgy talking things finalized fly like said problem army something recited gave perspective said valleys come ten homes village nine innocent homes one find something somebody pops fires us fact nine homes innocent also affected anger right wrong job hmm there's right wrong sure know that's first thing need accept great actor's point view took space really enjoyed new Ashwin written certain way think he's bad guy he's 26 year old major Bihar regiment who's thrown valley lovely conversation background work character probably he's got married time spend wife remember guy who's got married wedding night he's called need leave tonight reaches probably sees one brothers get killed best friend get killed conversation immediately gave perspective said right let's guy who's probably studied Patna he's sort conditioning he's exposed kind things aggression Bihar inbuilt go way looks real pain yeah thrown situation like approach take point lack time film feel blessing see prep I'll let instinct fire right think worked particular character good bad like said previously human element character people right even they're killing like keep saying films show bravado machoism farming man know bit also human element right make Dre's life black white Army going imagine walking street countrymen looking way narrate nice mean can't even imagine living life what's really scary mean ya ever know everybody's potential threat AI way around volatile situation yeah yeah Hindu concept thermally works well yeah know think last resort current situation like right ransacking people's homes turning turning upside know especially equally right dilemma battlefield kuruksetra expressed yeah dilemma Indian Armed Forces english-made know they're boys trying perform essentially term expressed one car gets everybody realize many actually prevented pointing fingers one incident hundreds army men standing grappling animals every day right may fact conditioning whatever excessively performing duties also human may underperforming forth possible say where's Juche talking army mrs. Graham army message' go talk man talking where's Jovi I'm talking issues know they're talking trauma yeah trauma PTSD yeah Lee's character classic case PTSD post traumatic traumatic stress statics thank traumatic stress disorder entire valley suffers one psychiatric hospital value right mean goes another sort issue negligence fact that's

character feel hmm way dealing mean bullied school blacked right deal I've actually thought years meet guys actually remember things know may done block like router dealing know brain can't deal yeah black circuit breaks right circuit breaker character turn know pregnant sort possibilities really dramatically played key role film Arshad loan important character well know got used perform stage 1999 last time performed right 20 years ago reason moved film particular interest making films I'll honest reason moved film time real career opportunity making theater right said okay let start order direct write screenplays learn learned direct Kashmir happened became political documentary side like wait hang second 20 years later I'm like dude happened wanted act yeah suddenly know twin 20 years know wrote part said man got never cause otherwise never going happen course know stress directing gonna hard I'd never high must say know real high easy responsibilities quadrupled actually doubled quadruple know pay attention hand duties rack yeah know true think prep really helped course sat people kind people meeting know frankly honest know else could trust part he's difficult part play operates Razors Edge drag proper officer acceptable rhymes he's pushing many envelope true know mean he's radical fundamentalist time he's got he's got whole double game going mean he's he's shady character know dodgy sinister character Wow get one word he's called genes right that's whole personality correct body know someone called genes right coming he's come sort almost wheeler-dealer sort character one thing really helped actually give academic air think makes look even sinister little mean that's wanted wanted mean I'm expressive see yeah I'm sorry place right tone little know let let stuff really admire people play poker know poker face stunning that's one little twitch eyebrow gives know wanted want audience imagine character rather play enemy right nothing audience Ryan writing spoon-fed stuff like little twitch let let bring entire know poker players they've seen lives bring face know job done yes quickly say two things really enjoyed really thought interesting film one also sort audience 16-year old girl sense eyes ears audience sort discovering discovering think device camera phone photography who's shooting everything taking pictures videos beautiful sort discovering thing know course Kashmir relationships telling earlier fact there's real beautiful relationship characters get invested even entirely familiar Kashmir story relationship character daughter know who's who's looking get remarried sort nod approval former mother-in-law talk adds many layers film course political story course know Kashmir also know also invest relationships let's take one one yeah instance know starts much like Instagram photography bit like know snaps yeah yeah yeah etc moves sort almost forensic photography that's right whole mean photograph start giving journey character senses true starts starts becoming Instagram photographer starts becoming subjective photographer goes entirely investigative mould almost becoming photojournalist sense true intentional mean shots we've chosen first part gave camera actor said listen whatever like correct right there's particular scene know going spoiler there's particular scene entire journey surprised pretty that's right pretty hard way right right becomes even emphatic they're kind smiley pictures correct know there's whole violence smiley pictures sort destroyed yeah want say thank [Laughter] yeah nice character concerned relationship daughter-in-law mother-in-law mean sort know subversion evict guess bit like two women who've lost sense thing yeah know else turn rather go take support get go space venting frustration like happens tragically couple loses child know inevitably ends break-up familiarity fact there's gel claustrophobia situation know extrapolated screenwriter trying figure way dealing dynamic mean would take fact daughter-in-law wants get remarried daughter-in-law really need arrive way little remote village right take permission necessary felt compelled senses know that's huge step coming way UK introducing new guy mean another cocktail oh know who's pretty much photos go who's sort grooming around know already know guy except every sort sort he's sort authority quite sure like strange man house course moon daughter daughter totally mixed emotion well know idea really show family dynamic go back idea saying look human human emotion Grimes character character played Natasha imago film torture rows beg pardon yeah dynamic built trust yeah suspicion know time fires cylinders yeah like see could made movie that's true actually yes know yes yeah could made movie beg pardon oh god story big one know could made movie character story sure perviness character story know played Maya surround correct love interest Shiva Shiva Marina play mean whole story also equally fast right right oh gosh complex incredible arc well see I'm relation mean whole relationship point also young girl coming way England yeah stranger son's daughter know would painful thing oh god know son know I'm alien anything experienced yet right moment give huge piece mean that's I'm saying fitting like real saying know know we're connection deep complete can't communicate yeah one speaking Anuj ones sitting Kashmiri grab like know communicate communicate right favorite moment film Sunni auntie's character husband mother says correct comes home looks photo says try something reaction yeah yeah magic human beings perceive actually lies little touch makes films believe makes Natasha's characters obscure actor sort Express goes back caricatures created caricature mother-in-law mind much feels necessary change way daughter looks present mother-in-law mother-in-law much chilled right far progressed brain know that's like think surprised us grandparents chilled actually surprised business boiler he's tells grandfather I'm stepping right happened yeah really many congratulations think going film that's that's that's layered think there's there's lot chew sort watch film really hope finds audience best congratulations job well done lots here's hoping continue sort steer part thank much yeah tell stories need thank thank thank much [Music]good evening welcome face name Sokka Jacob within next minutes we're expecting mother pradesh chief minister kamal addressing news 18 rising multi pradesh summit held live Bhopal cutting across life next minutes first let's

bring speed big stories big political stories day Priyanka Gandhi Vadra taking BJP
BJP stuff utter Pradesh massive road show Ayodhya pictures earlier evening huge crowd
strong Priyanka Von Teese road show temple town lose opportunity target Prime
Minister Modi BJP biryani diplomacy Congress hit back asking went Pakistan eat
biryani asked question prime minister said yesterday opening campaign rally every
time Congress Congress's leaders ask support evidence airstrikes helping cause
Pakistan also kept suspense whether contest looks elections course speculation
contest Varanasi Prime Minister Narendra Modi said ready fight elections anywhere
party asks right formidable show strength 10-kilometer Roadshow Faizabad Ayodhya
evening hours last couple hours certainly we've substantial number people turn see
Priyanka Gandhi know much translate votes certainly citadel BJP integral growth party
gentle party let go across zev RC who's joining us live IO dia pretty impressive even
Rahul Gandhi went 2017 assembly elections see kind reception general junta who's
landing curiosity could potentially prospective voters [Music] cuz big question tried
talk IOT never see ones word know coming homes families kids want catch glimpse
Priyanka Gandhi Vadra lot curiosity comes bystanders sure number people number
Congress supporters streets IOT adapt zakah impressive last time saw Congress flags
waved know go old know old Band Baaja oh congress slogans raised streets away
magnitude something anchor Gandhi Walter managed essentially political message wanted
send BJP opinions strong holding trapeze stronghold considered something central BJP
campaign Priyanka Gandhi Vadra campaigning East P also manage get know kind turnout
city Ayutthaya essentially words P witnessed ground track Roadshow fans Hanuman van
getting job crowd certainly unprecedented lot witnessed previous Congress Roadshow
Rahul Gandhi campaigned P state assembly elections certainly Priyanka Gandhi factor
witnessed streets order interesting mean unbelievable sounds Congress member
parliament Faizabad parliamentary constituency IO dia assembly segment 2009 dr. Lyn
Malka three Congress candidate got elected Faizabad difficult improbable proposition
Congress forget winds feather bath gives good run money BJP good one candidates
that's driving people come get glimpse Priyanka Gandhi Congress really stands half
chance Faizabad curiosity lineages would say rule fact Congress candidate liberal
country communist country time around well manage victory 2009 today saw Priyanka
Gandhi withdraw heavily campaigning normal country heard city Ayutthaya day came
rival relief way made several pit stops akka said we'll look Sahaj campaign America
three four fairs apart looks constituency certainly watching today's visual kind
turnout know came streets Priyanka Gandhi Basra campaigning Nevada number 104 felt
jokes BJP star got bantha candidates certainly would feel worried today kind
traction animal country strong candidate Communist Slavs manage win 2009 21c
Communist Party used one right stay us Ava course last four five hours basically
taken road home 80 way yogya see pictures visiting honeymoon goodie temples going
disputed side course last hours spoken contentious issues election including
reiterating contest party desires also quite uncannily today particular round aa sort
shed inhibitions taking Prime Minister Modi directly let's play sound bites I'm gonna
go back Connie Connie Connie Connie clear - okay Tina go back zebra who's tracking
Priyanka Gandhi last three days latest tour - OH - predation somehow today seems shed
inhibitions taking prime minister directly whether dropping direct references chances
fighting Prime Minister Varanasi even know Pakistan question seem defensive certainly
yes Sarkar fact saw aggressive Priyanka Gandhi Rustique strong drives Prime Minister
one course Pakistan question said us prime minister went meet pakistan Prime Minister
Nawaz Sharif Sharif yani course one strong comment yoga Gandhi Vadra strong comments
I'd like point holding new cuts aversion addressing Congress workers people gathered
Fez talked essentially Varanasi Lok Sabha constituency upset Member Parliament said
last time Varanasi spoke people telling never came spoke person massive roadshows
talks Prime Minister roams across globe Huck time constituency take attack directly
Prime Minister making direct attacks Prime Minister talking constituency Varanasi
remember taka significant constantly asking textbooks elections choose Varanasi
probable seat pretty much evident today's Priyanka Gandhi vedras show day bribery
lead Ayodhya nobody stay us seeing right screen live shots Priyanka Gandhi Vadra IO
dia course temple town integral history rise BJP fair crowd that's come know looking
screen many turned 10 kilometer road show easily thousands town associated Congress
party got fair number people turning whether know curious bystanders want get glimpse
Priyanka Gandhi he's celebrity campaigner Congress party genuine prospective voters
know tell know pictures screen substantial number people turned watch perhaps listen
Priyanka Gandhi Vadra let play two bytes significant done two things one dropped
inhibitions taking Prime Minister directly even question know national security going
Pakistan yesterday Prime Minister said Congress elected crackers burst Pakistan today
took question head-on also dropped inhibitions least notch two question candidate
take Prime Minister Modi constituency Banaras let's listen go sunrise I'll get know
Nikita particle particle keto mechanism [Music] [Music] [Music] big story day today
playing London's Westminster Court fugitive diamond tear near Moody's bail hearing
taking place right opposing bail UK prosecutor told court nero moody threatened kill
witness offered bribe another prosecutor also said great risk nero moody fleeing he's
granted bail neither Modi's counsel told court criminal record intention flee
therefore given bail right master dick he's joining us live tracks MEA us really mean
boils whether need Modi ability intention influence witnesses B whether he's flight
risk counts maja know far arguments made prosecution side defense side well Indian
side prosecution certainly wants make case flight risk several reasons also czaka
instance even near Modi's passport revoked India contacted United Kingdom regards
whereabouts UK come back India saying despite passport revoked near Modi indeed
traveled Indian passport one month passport revoked clearly fact remains rich

built fell know Humpty Dumpty sat wall Humpty Dumpty great fall yes yes yes yes let's
make light situation stick calling mr. whole day mr. Gandhi wish sense humor right
there's nothing funny mr. donde mean say collapse SI empty foot bridge behind want
say sorry starters ah yes deeply disturbed incident hearts go Germans families lost
lives attack talking saying sorry sorry wrong speech wrong speech yeah deeply
disturbed incident hearts goes lost lives injured incident let us play politics sad
moment must stand together face tragedy time blame game right right right want blame
somebody fault railways us one minute said blame game blaming railways build bridge
supposed bunt bridge supposed audit bridge blame blamed done nothing wrong whatever
listen listen bridge collapse fault lies railway give us information required
information see built bridge per requirement okay happened supposed know people would
walking yeah that's true would make sense would people walk bridge actually Mumbai
one uses bridges walk around bridge points inefficiency lack accountability forms
government good friend understand press people make mountain molehill mountain
molehill molehill Malabar Hill top hill difference makes typical behavior press
absolute rubbish talking know sometimes wonder guys talent ability build anything
first place please speak respect profession 30 years built many many bridges locally
internationally internationally like bridges like world-famous Harbour Bridge built
bridge Sydney Harbour Australia bridge platform number one platform number four
harbour line rule Karger that's international that's famous course also built
Mississippi bridge built Mississippi bridge Fort Madison Mississippi River
Mississippi done there's bridge Mississippi garden course Mississippi's garden right
next mr. Zippy's garden know looking rather complex real know bridges Mumbai built
British bridges still standing 100 years one one bridge cannot stand 30 years press
people unfair also said British given 100 years build bridge got 30 years repair one
well I'm running time wasting time sir last words say remember bridge terrorists
Osmel Kasab used escape CST station 26/11 attacks yes aware aware yes collapse
finally put end terrorism everyone completely nuts saying bridge collapse ensure
Pakistani terrorists ever crosses bridge end terrorism Pakistan stop stop know even
cocktail parties I'm invited catering know even cocktail parties find people go point
follow reason whatsoever rightly wrongly want judge let's move brighter side guess
spotted London weekend render Moody like Moody Neel amore remaining untraceable
months billionaire fugitive mihrab Moody tracked journalist Telegraph shopping
streets London let's go straight London talk someone may alleged spokesperson need
Modi standing behind actual need apparent reason we're sure could someone close who's
Anna listen suture mean yeah hang guys sounded lot authentic Gujarati English accent
neither Moody comment oh need Moody comment comment comment okay exactly comment
London comment comment see see London London sir normal what's normal weird kind much
normally find London March know supposed extradited either real fake needle Modi
touch Indian government talking Modi ji every day that's breaking news need Modi
talking Prime Minister every single day phone nope personally face face seeing mean
coming Delhi he's right London London he's he's Priyanka Chopra Barack Obama Paul
McCartney know I've never seen visual ever history world Madame Tussaud Madame
Tussaud come statues come come Anton moment talking like talking statue comment
comment comment comment anyway still try asking questions London I'm meet Vijay
Mallya lettuce body getting somewhere wild something common we're eyes know non-
resident Indians eyes new runaway Indians exactly meaning three guys TED talk y'all
TED talk yes Ted te 3 escape talk suddenly statue talking lot huh well began comment
stop talking what's future looking like I'm gonna ask plans appears started diamond
business true yes study good diamond business I'm calling India shining meanwhile
London shopping taking sights strolling parks green spa st. James Park personally
love Hyde Park perfect Indians guess love Hyde Park Hyde Park perfect hiding hiding
hiding saw coming walked anyway folks may may near Maury cannot authenticate heard
let jacket window conforms completely confirms 100% near Modi let tell might think
bit stretch get stretch hold soy sauce stretch come back we'll take break I'll
stretch bit welcome back week found China fact Chinese government got message nothing
nothing china says Masood Azhar terrorist well suppose fairly common name question
gee jumping China thinks highly Masood can't take happy till I'm square accidents
happen that's problem Johnson Johnson pay woman true story Johnson Johnson pay woman
California 29 million dollars settlement powder Johnson & Johnson gave terminal
cancer twenty-nine million dollars box powder worried inflation India Johnson &
Johnson Koch longer costliest white powder America careful apply week Frank Sinatra's
weight turned 50 fact March 18th date release 50 years ago way iconic song Frank
Sinatra please confuse governance India way different coming five years fifty five
years way let's talk politics toughest fiercest cutthroat intense emotionally charged
dangerous reality show television control ke khiladi got last week presenting locks
elections see nobody's clapping seemed like never-ending wait Chief Election
Commissioner Sunil Arora announced dates Lok Sabha election said every single day
he'll never April 12 April 13 went begin April 11th seven phases results May 23rd
pass who'll fail get tkt joining us Ledge spokesperson Chief Election Commissioner
Sunil Arora mr. Anil Arora mr. Neal Arora welcome show we're dying ask questions
thank inviting show ask questions let tell format questions may asked sorry format
shall conduct interview seven phases say seven phases game face one ask questions
Pradesh Arunachal Pradesh Assam Bihar Chhattisgarh Jumpman Kashmir let stop right let
get one second listen please proceed interview yes would like beginning mention Thai
consider second phase interview second phase okay whatever fine I'll start first
phase - second phase let's talk avians time made provisions photographs candidates

EVMS ballot paper make sure water knows voting really think democracies people know they're voting good idea BJP however happy idea photographs candidates saying instead candidates wanted photos Modi ji everywhere ultimate candidate something Congress happy idea photographs uncomfortable idea photographs candidates tell wanted pictures Rao's everywhere tried last time Rahul Gandhi Oh instead wanted photographs Priyanka Gandhi everywhere say oh nice bees else new happy note eight crore 34 lakh first-time voters 2019 general election 34 lakh first-time voters including ones Bangladesh ninth row 84 lakh first-time voters well done ninth row 34 like first-time voters 1.5 crore 18 19 year olds true fact yes India 18 19 year old men vote decide run country allowed consume alcohol that's true that's true course given choice eighteen nineteen year old men would much rather stay consume alcohol go vote vote unnecessary moving let's move social media yes move social media around several measures monitor regulate content spread social media yes everyone's talking make difference make difference come viewers social media different viewers Hindi English news channels understand trying say believe anything tell alright put okay final question final question took Election Commission long announce dates elections waiting Pierre PM tell elections waiting PM PM PM kisaan scheme PM people scheme PM poor people scheme PM financial scheme PN Road scheme PM uh scheme PM pension scheme PM highway scheme PM Airport scheme PM trophy conveniently sorry coincidentally happened okay okay get get get understand election process quite complicated actually waiting make sure completely ready announcing dates ah know would ready announce dates first foremost needed dates country's important event important elections dates IPL yes idea know IPL bigger event elections elections seven phases IPL eight phases Mumbai Indians Rajasthan Royals CSK okay speaking teams Congress party sorry poor bugle West Pompey Papapa that's version actually much worse symbolically Prime Minister Modi's home turf Gujarat BSP chief Mayawati sounded bugle actual actual bugle reproduced develop call blow prospects maha got bun making amply clear hub hojin much party electoral alliance congress state discuss joining us LED spokesperson miss Maya ji back lustrous illustrious ludicrous miss mulatto ji welcomed Musti miss Malibu DG namaste okay let's talk chief Marathi please use proper title referring lad ship miss missed know forgot title let's go proper way refer ATG dick hand sukumari Royal Highness King Uttar Pradesh soon king Delhi whole wide world Maya eg becomes Prime Minister look amount paper need get signature think alright want ask big band sukumari whatever whatever happened Congress party thought party would make alliance paheli hum cha cha ki hamari doe party cha alliance ho sakta Congress hamari Beach may keep cheesy hair seems lustrous phrase yeah seems common like common mclubbe Justice Sonia G boots common war like like Jessie hum dono kyungri Xena crab hair cage mmmm opposed Madiba dohno could much mahiette ah yeah try speak Hindi maybe common hey common okay hum dono ki Hindi crab Topham APIs bad kurta - bridge collapse ensure Pakistani terrorists ever crosses bridge end terrorism
Pakistan muda bad [_] stop people even cocktail parties conversation something
suddenly go table sloganeering stop focus elections okay makes sense [Music] big
election news coming state West Bengal West Bengal Chief Minister TMC chief Mamata
Banerjee thrown open challenge Prime Minister Narendra Modi saying consider
contesting Varanasi democratic right saying though said yet make final decision
really mean politics Mamata Banerjee trying position face Maha got Bandhan attempt
take Prime Minister Narendra Modi directly Varanasi constituency would constituency
like TMC water base Varanasi mean contesting TMC ticket supported Samajwadi Party BSP
part larger gameplan Mahatma really mean made Mamata Banerjee actually say taking
Prime Minister Narendra Modi Prime Minister Narendra Modi's constituency Varanasi
certainly interesting twist tale sure MU Kapadia tell Mamata Banerjee's say let
people context question put monta banerjee buzz DB hippie circles know Prime Minister
Modi choose contest one seats Bengal well rumours making rounds would month energies
response possibility like I'm Minister Modi chooses confess seat Bengal Manta
Banerjee responding question said Prime Minister Modi welcome contest seats Bengal
democratic right context said also Democratic right contest Varanasi required
essentially month energy making hint possibility course varanasi making point even
know choose confess Varanasi that's democratic right Constitution allows also added
breath Maurya even know mr. Modi chooses contest seats also true bhima true Prime
Minister open challenge 42 seats available choose contest 42 seats yet find place
Bengal rejected people Bengal question that's right Maria okay larger political
significance statement thank much Catemaco path joining us certainly Mamata Banerjee
saying telling BJP part BJP game plan Prime Minister Narendra Modi besides contesting
Warren se may choose another constituency maybe Bengal maybe Orissa ready take mr.
Narendra Modi turf Warren se we're shifting focus story evening elections may
laughing matter 2019 polls tickling funny bones well hope politicians laugh tweets
memes rap videos political class pushing narratives attacks cyberspace aim 15 million
first-time voters elections 60% electorate age 45 rallies press conferences using
social media tactics move waters sting opposition banking wiring factor boost
popularity visibility Prime Minister Narendra Modi social media juggernaut 46 million
followers Twitter BJP 10 million followers reach unlike political outfit Congress
going well flooding internet rap videos memes targeting Narendra Modi track record
last five years era political messaging meme ki Mahabharat come top let bring guess
go straight Weill sangmi maximum number followers among us winning social media
battle hard area talked followers followers Twitter I'm sure Twitter effective longer
gave example mr. Modi probably largest following world look way choose follow
Narendra Modi chances head fan already right really going sway many people among
followers going Twitter real action shifted away Twitter whatsapp look BJP cells work
they're relatively quiet Twitter sort trolls 8 followers many digits names nobody
pays much attention real battle videos news sat circulated India one problems India
mainstream media decline include us television well printed papers huge rise what's
forwards many people they're young perhaps much experience editing whatever tend
believe anything comes whatsapp true looked examples last year know number riots
lynchings caused whatsapp forward comes whatsapp hard tell who's winning battle
certainly BJP better they've much longer Aishwarya Mahadev seem playing BJP space
think Mara one know Mara one thing certain level engagement political parties online
platforms unprecedented we've never seen think thing agent extremely critical miss
mr. sang also said know Twitter sir Twitter used medium push agenda also lot
narrative happening think know honest BJP head start think Congress caught see sort
meteoric rise online volunteering even way Congress platform functioned know think
even divya spandana done fabulous job actually giving competition saw upswing posts
around campaigned karnataka states yeah Gujarat Karnataka states sort engagement
whether volunteer based engagement even content end catches consumers eyes whatsapp
yes extremely strong network dissemination everybody one family group propaganda may
say one constantly mute various platforms engagement new battlefield Maria forget
elections fought ground reality matter much know take let's see Narendra Modi's
popularity online see still happens ground matters watch yes that's right mean saw
play Gujarat may online came real battle Congress lost election let come let bring
zephyr Islam zephyr Islam know 2019 seen whatsapp election many ways know whatsapp

said allies cases like Stalin prime ministerial ambition look weakness within alliances parties chosen go Congress like think discussion earlier correctly pointed DMK neat leadership succession plan place actually executed planned however given fact like general Jayalalitha slightly different vein Caruana domineering powerful leader based long history Dravidian movement Stalin according many analysts anywhere nearly powerful father terms managing Carter DMK delivering Victory's he's really done anything father already ailing 2016 Assembly election though might working president running Madras could argue failed deliver similarly questions strong DMK southern districts thommanon question marks however situation DMK Congress even weaknesses nowhere comparable cannot compared absolute inconsistencies fallacies exist within ad MK BJP combined two antithetical parties could come together calling grandly rainbow coalition going float right sky coalition float sky cinah one moment I'm saying give BJP forged line alliance almost seen unthinkable almost impossible regional player lines BJP managed rainbow coalition side mahogany Bund supposedly know supposed believe optically Muhammad bun still looking allies BJP going one state another insuring lies place much election dates announced twins coming yes absolutely certain states realistic performance know strong states strategic alliance early alliance work us far Congress concerned let tell know way Akhilesh Yadav Chandrababu Naidu ask would know happens alive Congress Stalin going learn hard way gotcha okay okay Aishwarya first thing Mario said previously made clear nobody going talk prime ministerial candidates lot coalition's know alliance cobbled lot states none talk prime ministers even home state Karnataka mr. David Gordon son also expressed know Karnataka wins coalition wins could potentially see Connecticut right know high echelons power immaterial second fact BJP going making convenient alliances zero go acknowledge realize presence realize southern states especially extremely hilarious state like Tamil Nadu precipice auntie know imposition idea imposition language entire Dravida sentiment see BJP coming bending backwards allow AIADMK know basically take want coalition convenience BJP nothing lose even MDMK reluctant fact Vijay Khan's photos even taken Prime Minister's rally see sit bargain much want DMK giving vijay can't sorry DMDK giving vijayakanth four seats said four AIADMK pushed seven eight they're basically holding AIADMK BJP ransom coalition basically safely put side they're working already panchayat level okay AIADMK BJP going struggle fact jail Alita huge loss electioneering juggernaut extremely unfortunate none going help know also believe also believe K Stalin succeeded failed fill father's shoes means enough know heard Congress friends saying banished strike alliances even rationale logic explains manifests kind know faith regional partners partners us contrast happening third provision ecclesia says course Congress part Alliance we've given two seats insult Congress nobody compare happened Tamilnadu even Congress admits strong presence even get five five seats even manage strike alliance much ahead DMK alliance document argument really hold given BJP spokesperson think arguments hold looking battle money muscle BJP deep pockets money muscle BJP combined leadership vacuum alien cane hope fuse together somehow produce vast number votes favor I'm saying I'm saying DMK going massively successful overwhelming result level weakness said weakness untested nature Stalin's leadership let's forget want remind everyone outside Tamil Nadu thing Tamil vote thermal electric electorate distinct view good state good Tamil people necessarily tie BJP nationalistic view two Safran okay final words woman panel aishwarya maha 10 seconds Thank Maria believe step right direction Indian National Congress certain see results know learning panelists also spoken know different wave lot states every state different formula think Indian National Congress going right way gobbling alliances alright thank much three Scenario Mahadev Narayan Lakshman thank much sleeping short break coming next water words fall continues governments stolen files twist Supreme Court three hour long hearing Supreme Court bench came heavily government citing national security reason resist probe acquisition Rafal jets hearing center represented Tony General KK Venugopal fact dropped bombshell alleged documents related Rafal stolen defense ministry hence English daily Hindu published confidential papers never supposed public domain compromised national security matter adjourned hearing March 14th center show epics court action taken regarding stolen files falsehood dishonesty also corruption writ large based report Indian negotiation team per report Indian negotiation team price 36 aircraft eight thousand four hundred sixty million euros sixty three thousand four hundred fifty K Road claimed Prime Minister Modi government seven eight nine zero million euro fifty nine thousand corrode [Music] [Music] [Music] 2019 elections Congress National Party could emerged fulcrum mahathat Bandhan anti Modi block far Congress chief Rahul Gandhi's philosophy colossal array one defining electoral calculation optics envisioned moody versus united opposition shaping rld samajwadi party Bojan somach party single deal Uttar Pradesh Akhilesh Yadav made clear rethink seat sharing relegating Congress bastions Amity ribéry leap Muhammad energy go alone West Bengal Congress eyeing alliance left Bengal Chandrababu Naidu made clear go solo Andhra Pradesh project could mean disaster Telangana last year New Delhi aam aadmi party Congress alliance almost table inside details getting top congress sources fact top congress sources told CNN news 18 clearly majority view - lie aam aadmi party former Delhi Congress chief AJ makan PC choco spoke favor Lions maken going extent saying contest alliance aam aadmi party majority leaders wary aam aadmi party attacked Sheila Dikshit unity center political fight Delhi RAL Gandhi eventually bagged majority view Poli Poli gauche getting us inside story Pallavi window negotiations still open ahmadi party announced candidates six seven seats Delhi course that's part pressure building tactics looks tough yet that's exactly top Congress sources centre telling quickly really Marya inside meeting took place hot exchange worse ironically Jay McCann who's always alliance amp actually spoke defence

today saying circumstances changed make oblique reference post airstrikes kind sentiment clearly favor BJP Prime Minister pointed much would hate alliance realized important otherwise going win one seat together Sheila Dikshit made clear situation improved ground suicidal ARP always enemy number one actually joined hands BJP 2014 ensured disastrous defeat us that's matters ended Rahul Gandhi said going opinion that's aside end day going go majority key word consensus majority therefore Sheila Dikshit comes say final I'm going alliance matter likely shift central leadership top Congress leaders favor alliance I'm going actually get real assessment situation they're going realize bad really ground therefore pressure may also come opposition political parties Congress party everything close doors seems tough point time happy little window opportunity still open Congress Alliance pallavi know talking various states Andhra Pradesh Uttar Pradesh Bengal Delhi window kind alliance regional players closing exactly Congress trying send message really face opposition really united opposition taking render Modi well looking good Congress party fact many opposition anybody upset Congress party saying get high horse realize writing wall need sink differences really come together pictures orthopod age Appalachia course they've realized cannot alliance TDP still reckoning BJP political parties look good Congress party think that's pressure really come opposition political parties point Congress party understand took wall Congress party even listen opposition partners allies potential allies think call still yet taken right Pallavi goes thank much getting us inside story window negotiations still open Pallavi says yes also adds Congress alliances looking good let bring guests Raji found BJP leader studio Javed Ansari senior journalist NASA ruse Congress member parliament action Marathi Armani party spokesperson he'll joining shortly let bring Nasir Hussain Sarah sent tell 2019 Congress fighting natsu-san hear see think clear Congress party tried stage alliances two across countries trying able able successful building alliances many states states problems road role yet think there's still time build Lancer save states think confusion problems otherwise states think ally Alliance tell west bring alliance third Pradesh India's biggest state alliance Samajwadi Party BSP rld forged alliance kept Delhi Arvind Kejriwal gone ahead made announcements four six candidates seven certainly also given alliance I'm trying understand Congress able read writing wall say election save democracy trying understand trying save save democracy trying project Maria alliances Bihar lines John currently avalanche modest ravi avalanche karnataka v alliance tamil nadu talks still clear clear clear clear government alliance think talks West Bengal lines Jammu Kashmir talks West Bengal might talks interpretation package dish telogen also alliance Jammu Kashmir party aligned national okay okay okay let bring Akshay Marathi I'm party spokesperson he's joining studio HM errata know trying understand exactly opposition's agenda 2019 talks seen far opposition parties coming together trying build narrative saving democracy indeed saving democracy forging alliances well lines would Congress party think question must directed Congress party today long spent long trying decide whether go alliance finally betrayed people Delhi actually wanted see mr. moody power last four years elected government Delhi allowed function party centre interest people Delhi interest people India opposition parties saying let's put one candidate one BJP candidate that's way defeat BJP today that's happening Delhi happening new piece happening mingle question today Congress party placing party's interests interests people country that's exactly question solution potential ally optical saying raising question respond see Maria think alliances part country difficulties alliance couple states still time negotiations pass still time bargaining stilton time discussion think two three states negotiations still think even states next days weeks think things place people realize state alliances parts country wait parties P UTI 80cm string one 40 seat one video lot easier Roswell absolutely that's Kandra also still talks experiment telangana assembly election basis alleged analysis results results Telangana state think party TDP Congress party pointing adjust seats accommodate Alliance's everything one hand amateur goings state state forging new alliances GP Congress ditching alliances urgency Congress biggest opposition party right see fight Congress defeat BJP serious start talking parties forge alliance together that's way take BJP save country devos dictatorship that's I'm saying brings next question going ask Jonathan sorry Jonathan sorry opposition parties give perfect optics know turn other's Hartness swearing-in ceremonies I've got started LD k SD Kumaraswamy comes real electoral arithmetic missing individual ambitions BJP wrong saying yeah Josiah Dinanath ahead Ethan anything well I'll tell proving difficult mara please ask somebody fix I'm getting echo yes I'll get done producer fixing job yes please go ahead yeah precisely inability different political parties say put status objective putting 1:1 2:1 fight opposition party interests one wants preserve one wants increase area influence that's falling short stated objective one-to-one fight Congress blame sides blame Congress blame instances regional parties blame instances regional parties believe Congress weakest let's squeeze Congress believes test 200 seats rather many increase seat chair therefore conflicting claims also reflects pouring leadership qualities respective political parties they're inability rein reasons reason Raji funding smiling even Amida party asking questions Congress party political opponents aam aadmi party Congress fighting among BJP sitting watching forming alliances forming candidates also love Maria like know Congress sending clear signal Rahul Gandhi Priyanka Gandhi ji photocopy Indra G serious contesting election 2019 know well parties including aam aadmi party Samajwadi Party BSP parties taken votes taken call let us fight 2019 election fight tell I'm telling saying see Bihar said Bihar also Bihar three seats pitch posaga Bihar may audio made pass information Garland's make another sunny party defeated Congress made nil fearful Modi ji popularity giving three seats second point policy Congress sing last point I'm saying

Congress visible least 250 seats pee Bihar Bengal Andhra captain Congress party fight election BJP Akali Punjab Delhi fight aam aadmi party BJP congress try get I'm saying decided like know question cannot come together pre-poll stated objective saving democracy stated objective save bigger force Prime Minister Narendra Modi stated objective something post poll come together divisional SATA power BJP wrong assess making assessment guys objective power post poll Agora pequea agenda men talk millibar attack ideas milk shine alliances horoho thay Marya see think first tell BJP spokesperson remind ask various PDP today whereis Jeetendra ji today SWAT Kushwaha today TDP today happened troubled relationship issue Sena happened blow hot blow cold relationship J let teach us lesson coalition run coalition government 10 full years respond coalition governments states well also understand political party different strategies different states politics state level different today agree agree strategy internal party matter leave Congress decide strategy face appears Congress trying help BJP whether Delhi whether Bengal whether route Pradesh Congress giving mixed signals people states they're saying one hand opposing BJP comes elections comes electoral alliances saying going cut votes anti-bjp spectrum voters going help country rid Menace BJP created responding sir mahadji Bihar may win capacity r % % bow ties south percent vote later Kenneth E Amero old partner Rama recite receipts sharing hitsuki shiv sena kali AI MK remember general Tegea statement supported civil code ram measure three ideological partners solidly [Applause] [Applause] [Applause] seelix honest person arvind kejriwal big drama delhi finished congress party trying lick boot congress party win final word I'm asking political guests panel tell political opponent 2019 increasingly getting confused aam aadmi party fighting elections Congress pufta party fighting election far BJP concerned fighting entire opposition tell Nasser Hussain opponent [Music] yeah Marya think think clear mundo Congress party fighting alliance partners different states body three states discussion alliances well strategy certain states certain state ask Davila strategy certain stage get know thank results 2019 LX mu P give trial affianced people country us way ditched people country everything clear clear people country know fighting rather raised issues people past five years reason gave us rap mandate five states continuously whether Punjab whether Karnataka whether last three stable heartland country duo destroyed economy destroyed federalism destroyed Constitution BJP biggest enemy party I'm devotee writing parties fighting BJP Congress Delhi third player small player cut votes still fight BJP defeated okay finally watts job Ansari see chaos repeat question I'm saying there's chaos seeing side alliances forming seed sharing decided candidates decided well obviously things stand advantage clearly bjp-led combine opposition fallen far short strategy worst massage one one BJP least 480 plus seats moment looks highly unlikely therefore BJP NDA combined beat advantage lies opposition right thank much Jonathan sorry rajid funny Jonathan sorry Anna Saracen Akshay Mirada thank much joining us clearly battle 2019 narrative still shapes also strong regional players asserting giving space Congress party well aerial strikes continuing Prime Minister fact hit opposition politicizing airstrikes terror camps Pakistan accusing towing Pakistan's line several opposition leaders questioned Modi government revealing exact figure fatal tease day IAF chief Donna said cannot give exact figure Amit Shah BJP president said 250 terrorists killed [Music] [Music] [Music]good evening we're starting breaking news right top face Pakistan reissued orders freeze assets designated terror groups individuals may prescribed United Nations Security Council particular order reissued moments ago asks departments ministries concerned implement United Nations Security Council 1373 resolution came 2001 immediately 9/11 order reissued massive pressure Pakistan United Nations Security Council wake happened pol Varma terror attack 40 CRPF neurons killed groups prescribed United Nations Security Council includes lashkar-e-taiba prescribed right 2008 Mumbai terror attacks fact head lodge creativa Hafiz Muhammad side also globally prescribed terrorist per UNSC sanctions committee let go across Tamar Siddiqui tracks External Affairs Ministry us order issued UNSC 2001 purpose Pakistan reissuing 2019 may mean practical terms affect groups individuals may prescribed UNSC UNSC 13.73 resolution actually gives best practices implemented terror outfits clamping terror outfits many points means terror outfit brought control taking action ground eliminating terror safe havens choking financing one major elements UNSC one-sheet seventies resolution welcome sources believed reshoring order guidelines another way Pakistan show acting guidelines Pakistan always north always acting question putting national counter-terrorism authority website public announcement trying indicate saying go act Jesse Mohammed leadership question Pakistani authorities act ground show results moment words emanating Pakistani side clearly intense pressure specific circular talks cracking Jesse Mohammed issuing guidelines context generic guideline issued ministries departments saying go cracking terror outfit alright Suzuki leave Pakistani authorities reissuing order moments ago talking seizure freezing assets proscribed organizations individuals per UNSC 1373 resolution [Music] [Music] [Music]remember Pakistan Foreign Minister confuse Pakistan exchange minister that's Asif Zardari that's another story Pakistan Foreign Minister Sharma mood Qureshi said dreaded terrorist Maulana Masood Azhar unwell physically undergoing dialysis hospital say may dead let's try find joining us edge kidney liver specialist treating Masood Azhar name doctor Inzamam ol Qureshi dr. Khoury cholera Masood Azhar see sure looks lot like Maulana Masood Azhar mean prove yeah please prove okay Jenna yeah Maulana Masood Azhar hey Bill cool thing legit oh yeah really typically Pakistani mean like saying judge Paloma attacks asked said I'm gonna say can't asking Jackie neat orphan whose septum prove really Masood Azhar Maulana Masood Azhar dead name job dia means alive hey he's Maulana Masood Azhar mom laughs Adam listen listen I'll honest believe believe yes I'm Pakistani Indian say anything means surgery surgery busca bad surgery

become different surgical procedure article trying oh right one big lie there's
nothing wrong terrorist kidney issues liberation issue faking usual wrong exactly
please tell us stomachache kidney issue also liver issue what's wrong divine
understand also oscillation oscillation also issue wonder hell listen kidney liver
Gyan Gyan leave masala really talking food Galaga one sec nothing wrong kidney liver
ha ha supposed doctor dr. Qureshi I'm dr. Holly yeah doctor I'm throw-in kebab Artie
I'm gonna cook million Pakistani doctor polygon drag give another international
incident drag okay cook doctor [Music][Music] reporters project recording fallout
pulbaum suicide bomb attack Kashmir since February 14th 19 year old Kashmiri dilemma
dar blew killed 40 crpf men state Kashmir smothered blanket anxiety hardship tension
tumult fortnight state standards Muftis law gets us pulse people even assesses
political social implications ban jamaat-e-islami crackdown separatists last 18 days
seems like Kashmir slipped coma barely hear sounds life roads deserted markets
